

HILLFIELDS CHURCH COVENTRY WELCOMES

STUDENTS

& 18-30s

www.hillfields.church

Dear Students and 18-30s

Welcome to Hillfields Church Coventry! We are an active, multi-cultural, multi-generational church committed to sound Bible teaching and Christ-like living. A large number of our members are in the 18-30s category and we also have a thriving student population. We would love for you to be a part of HCC!

We exist on two locations: Lower Ford Street and Waterloo Street. Ministries are run all through the week on both sites.

Our Sunday services are at 9:30am, 11:30am and 6:30pm at the LFS site. We'd love for you to stick around after the 11:30 service for student lunch and for supper after the evening service.

And do come along to the Link Café during the week – it's a great place to study with free Wifi, great coffee and cakes at a low price!

I came to Coventry as a student seven years ago and decided to stay after joining HCC. My hope is for you to feel as much welcomed and supported as I did at this church, and that you'll discover more and more of the unsearchable riches of Christ during your time with us. If you ever want to come find me for chat (I really would love you to!), I'm usually in my office - upstairs at Lower Ford Street - during working hours in the week, with the exception of Wednesdays. I'm particularly excited for the 18-30s events I'll be organizing this year, and even more, to get to know you all!

Hey! I've just graduated from Warwick and am now working at Hillfields as a ministry apprentice! I loved my time here as a student away from home - I was motivated daily by the church family and the CU to grow continuously into Christlikeness and share His good news to people around me. In this coming year, I will be mainly working with students, youth and doing evangelistic work in the Coventry area, while doing ministry training at MMTC one day a week. Come chat to me at any time if there's anything you'd like to share!

TOM

I grew up at HCC, went away to uni, then came back again. Whilst I was away at uni, the church I joined there was a crucial part of my Christian life - it was a lifeline, really. My hope is that HCC can be similar for the students who join us whilst they're here with us in Coventry - that it can be a source of gospel truth for them and help them to grow in their knowledge of God and their love for him. You can find me in church on Sundays or at the Friday night Bible studies. Please, don't be a stranger!

What's on

121s / 122s

An opportunity to meet with a one or two other 18-30s and an older Christian every week or so to study the Bible or a book, pray together and get to know each other.

Home from homes

A scheme which partners you with a family in the church who will support you as you go through university.

18-30s stuff

Every third Saturday of the month we get together for an event – games nights, bowling, meals out, walks in the countryside, you name it!

Student Bible studies

We meet on a Friday from 6:00-8:00 for dinner and a deeper look into the Word of God together.

Student lunch

Every Sunday students get together at the park, the church site or with a family for lunch and the afternoon.

Home groups and prayer meetings

These run on alternate Tuesday evenings and are for the whole church family, but we'd love for you to join us.

Weekend away

Our very popular May getaway over four days aims to bring our 18-30s together over the Bible, great food and loads of fun.

Serve

At Hillfields Church Coventry we want everybody to feel at home. For students that means not having the sense that you're temporary, but that you really belong with us. One very good way of doing that is to get involved by serving. It doesn't have to be something huge, or very time-consuming, but could just be a small contribution that helps you get to know more people and gives you the chance to experience giving to God in a new way.
