Other news

Please pray Paul Watts is preaching at Evington on Sunday morning & values your prayers. Do also pray for the church holiday, for safety in travelling & that everyone will have a great time together.

Christmas wreath-making women's event Our Christmas wreath-making event is happening this year on **Saturday 23rd** November from 7-9:30pm at the Lower Ford Street site. The main aim is to provide an evangelistic opportunity for us to invite non-Christian friends/family to. Secondly, it's to provide fellowship amongst the church family. Please be praying about who you might invite along, and pray for Heather Ainge who is giving a short gospel message this year.

In previous years the event has been hugely popular, and because we want to ensure that our HCC family & non-Christian friends/family are given priority when booking places we are trialling a new booking system, through Church Suite. When scanning the QR code on the fliers (available in the entrance area) you will be taken initially to a sign-up page where you can express an interest in the event before being able to book/pay for your place. If there are spaces available you will be emailed back and invited to book & pay.

If you have any questions or you cannot pay online please speak to Lis Young - 07853207404 or Annette Oldham - 07845997490. It's a really lovely event to invite people to, please pray that God would use it for His glory.

CAN YOU HELP? – Have you got a **garden** bursting with lentiful **greenery**? Holly, fir, eucalyptus, bay, spruce, pine (and pinecones), ivy, something with berries? Or do you regularly walk somewhere where these are available? Please do let Lis (07853-207404) or Annette (07845-997490) know if you think you can help with sourcing some greenery for the wreath-making evening. And if you're available to help clearing up after the event that would be much appreciated. With thanks.

If you are not on HCC Connect, to receive regular news, updates and prayer requests then please sign up so you don't miss out:
